

Alpines International Breed Club District Specialty Show Rules

The Alpines International Breed Club authorizes at least one Alpine Specialty Show each year per ADGA District. In the event fewer than 8 specialty shows are awarded (1 per district), a second specialty show within a district may be awarded as long as it 500 miles from the 1st choice and they did not host a specialty the previous year. Shows wishing to host a District Specialty cannot be restricted in any way. The show must be an ADGA sanctioned show and open to all exhibitors. Any money or prizes offered by the club, state or local authority must be paid to any winner, regardless of where they reside. A list of Show results (top 3 placings per class) and pictures of all Champions, Reserves, Best of Breeds and Best Udder must be sent to the Specialty Chairman within 30 days of the show. Photos MUST be sent in ELECTRONIC format. There are multiple options for sending results to the specialty chair, including uploading photos to google drive or sending photos within a word document. Detailed instruction on sending photos will be sent to all awarded specialty chairpersons. The AIC will furnish rosettes for the winning Grand, Reserve Grand, Best of Breed and Best Udder for each Alpine sanction in the specialty ring. *Note: When Champion Challenge is offered, and there is no competition, the Grand champion automatically becomes the Best of Breed.*
